COMMENTS :

I have moved to PA and have a small farm and the chapter address will need to change along with our Region. After talking to our crew and XO, we feel it is in the best interest of the Chapter to use the XO's address as he lives in a city vs me living in the sticks. I am officially requesting that the chapter address and region be changed to the following:

XO: David Richards

USS George Washington
 19 Annandale Road (front)
 Newport, RI 02840
 R15
